Suppliers Of Fresh & Frozen Seafood

Dear Chef,

S & J Fisheries have been established for over 30 years.

We are a family run business; we supply quality Fresh and Frozen Fish to suit all markets from our Ivybridge depot using our own fleet of chilled/frozen transport. We deliver to your area daily Monday through to Friday.

We strive to be the best and customer service is paramount to our success.

We email our price list directly to you. It lists both frozen, preserved and seasonal FRESH FISH at Daily Market Prices, which can be filleted and skinned to your requirements at no extra charge.

In addition to the above, don't miss our Monthly Specials List!

We do hope to be of service to your business and would be happy to discuss your requirements by appointment or over the phone. You can call us using 01752 898 684.

We look forward to hearing from you.

Yours faithfully,
The team at S&J Fisheries
